ZIMBABWE AND THE KIMBERLEY PROCESS – SUSPENSION OR NOT?

The Zimbabwe Europe Network in cooperation with Fatal Transactions, Human Rights Watch, Bonn International Centre for Conversion and the Zimbabwe Human Rights NGO Forum is facilitating the visit of a civil society delegation to Europe to ensure that interested parties are aware of the dire situation in the diamond mines of Marange / Chiadzwa in the East of Zimbabwe. Human rights violations, smuggling and a military takeover of the area have led to an international outcry over the past few months culminating in a delegation from the Kimberley Process visiting the country in June / July
